Block level workshop was organized on 07-09-2021 by under RACE, LEADS at Block Hall Bishunpur. Name of the Participants are listed as below;

- Chanda Bhattacharya, BDO, Bishunpur
- Dhananjay Pathak, CO, Bishunpur
- Ram Chand Baraik, Block Head
- Dr. C K Sharma, Vikas Bharti Bishunpur
- Sanjeev Kumar, TERI
- Bholu, TERI
- Amar Tiwari, AIWA
- Eno Rai, KVK, Bishunpur
- Representative, Saansad, MLA
- Block Coordinator, JSLPS
- Kuasal Kishor, JSLPS
- Vinit Soni, RSETI, BOI
- Media, Bishunpur
- Mukhiya, All Panchayat, Bishunpur
- Urja Mitra, RACE, LEADS
- RACE Team

The workshop was inaugurated by lighting the lamp followed by introduction of the all participants. DPM, RACE project shared the purpose of the workshop and invites Mahendra Kumar, Project Head, RACE LEADS, to elaborate the success of the RACE Project, which is mainly working in Bishunpur Block for two consecutive years.

Mahendra Kumar shared that Vikas Bharti Bishunpur and LEADS Ranchi started this project 2.5 years back and since the organization is continuously working on clean energy in this area. RACE project on clean energy is reaching out to the people in all 68 revenue villages of 10 Panchayat of Bishunpur Block and is also making them aware about many govt. schemes, as well as on solar energy power.

They are being made aware by forming a clean energy committee at the village level, and through them work is also being done at the village level and in the field of clean energy. It was added that youth have been selected and given skill training at village level, this training has been given on smokeless stove, solar energy and livelihood, so far 300 youth have been trained in 15 batches.

Sanjeev Sir, who came from TERI, discussed in detail about clean energy, He said that the work being done by LEADS in the field of energy is very admirable. Briefing about TERI and shared that, TERI is working in the field of environment and renewable energy, in which the cooperation of LEADS is also praiseworthy. Solar based charge has been installed by TERI, which used to charge during the day and gave this energy during the night, this energy was operated in 50 houses through the village committee, it called Community Based Lantern.

TERI is working in 13 states, working in collaboration with government and non-government organizations. LEADS and TERI aim to prevent environmental pollution,

and to make clean energy accessible to all people. 12 types of smokeless stove have been developed by TERI. Till now TERI has got the stove used in 50000 houses in the states of Jharkhand and Bihar. The manufacturing of pellets has started in the state of Jharkhand, the cost of which is about 80 lakh rupees. Also, He discussed in detail about the integrated solar energy which is working in Gumla, as well as assured full cooperation to the LEADS as a supporting hand.

From AIVA (Additional intelligence and value addition), Amar Tiwari discussed about the promotion of local product produced by the rural people, He added about setting a fair price for their produce so that they got better livelihood option.

Dr. CK Sharma from Vikas Bharti gave his statement on the work being done by RACE. He said that many types of diseases are caused by smoke, due to which smoke accumulates in the lungs and there is a lot of problem in breathing, the solution of which is only smokeless stove and clean energy. The most important thing that if children are not kept away smoke free for 1000 days from birth to 2 years of age, then children become victims of malnutrition.

After this, Dhananjay Pathak, CO, Bishunpur praised the work being done by the RACE team on clean energy and said that the clean energy committee formed at the village level is admirable, work is being done on this is a very good effort at the village, and for this, many thanks to LEADS Ranchi, which is doing this kind of work. In order to make the clean energy accessible, all people have to work together to make the pollution free environment.

BDO Bishunpur, finally appreciated the LEADS and shared that the most important thing about this project is that this project is making awareness especially about the health of women, which is a very appreciable work. Simultaneously, the Urja Mitra who is being selected and given skill training, it is very good job by selecting more than 300 youths from Bishunpur and train them by the organization.

She added that reducing and saving pollution is necessary for all of us. We should promote the plantation because it gives us plenty of oxygen, if one tree is cut for infrastructure then, plant 3 trees in its place. Apart from that all people must get COVID-19 vaccine and also create awareness among people, it is necessary for both government and society. She ensured that all possible help will be provided by the block to the LEADS.

Workshop was concluded by Mahendra Sir, LEADS. He told that, due to small faults in village, many electric or solar powered devices are lying down, the biggest reason for this is that people don't have technical knowledge and it gets spoiled due to the absence of an electrician. Through training in the village, we train how to identify the wire, identify AC and DC bulbs, see small faults in solar repair, clean the solar plate and keep it exposed to sunlight. Keep it according to the angle, which cannot cast any kind of shadow on it. As well as how to check the battery and re-use the damaged LED bulb by making diodes, as well as all the solar related schemes of the government were also told to the people.

50 numbers of selected farmers through LEADS and TERI were given solar energy system by BDO, CO, Bishunpur, Sanjeev Sir, TERI and Mahendra Sir, LEADS.

## बिश्नुपुर में 50 किसानों में सोलर एनर्जी सिस्टम वितरित

आजाद सियाही संवाददाता

बिश्नुपुर। बीडीओ छंदा भट्टाचार्य की अध्यक्षता में मंगलवार को प्रखंड सभागार में रेस लिड्स के प्रखंड स्तरीय कार्यशाला का आयोजन किया गया। जिसका संचालन रेस लिड्स के डीपीएम योगेश राव ने किया। लिड्स रेस के प्रोजेक्ट कोऑर्डिनेटर महेंद्र कुमार स्वच्छ ऊर्जा पर बिश्नुपुर ब्लॉक के 10 पंचायतों के सभी 68 राजस्व ग्राम में रेस परियोजना के माध्यम से लोगों के बीच कई योजनाओं को लेकर पहुंच रही और उन्हें जागरूक कर रही है। सोलर एनर्जी पावर के सहयोग व भविष्य के उसके फायदे के बारे में बता रही है। इस दौरान लिड्स व टैरी द्वारा चर्चानित 50 किसानों को बीडीओ व सीओ ने एकीकृत सोलर एनर्जी वितरित किया। बीडीओ ने कहा कि लिड्स प्रोजेक्ट को सबसे आहम बात यह है कि

कार्यशाला के बाद किसानों को सोलर एनर्जी सिस्टम देते बीडीओ।

यह प्रोजेक्ट खास कर महिलाओं के स्वास्थ्य को लेकर बहुत जागरूक कर रहा है। बिश्नुपुर से 300 से ज्यादा युवाओं का चयन कर उन्हें संस्था द्वारा प्रशिक्षित किया जा रहा जो सराहनीय कार्य है। वहीं, सीओ धनंजय पाटक ने रेस टीम द्वारा स्वच्छ ऊर्जा के ऊपर किने किए जा रहे कार्यों की सराहना की और कहा कि ग्राम स्तर पर जो स्वच्छ ऊर्जा समिति का

गठन किया गया वो सराहनीय है। दूसरी ओर महेंद्र कुमार व टैरी से संजीव ने स्वच्छ ऊर्जा ऊपर विस्तृत चर्चा किया। साथ ही लिड्स को सपोर्टिव हैंड के रूप में पूरा सहयोग करने का आश्वासन भी दिया। उधर, अमर तिवारी ने लोकल प्रोजेक्ट के ऊपर चर्चा की। प्रखंड प्रमुख रामप्रसाद बड़ाइक ने कहा कि रेस द्वारा किने जा रहे कार्यों व ऊर्जा मित्र को जो

गांव-गांव में ऊर्जा के क्षेत्र में विभिन्न विभागों द्वारा सराहनीय कार्य किचवा जा रहा है। लिड्स के महेंद्र ने बताया कि गांव-गांव में छोटे-छोटे खराबी के कारण अनेको बिजली या सोलर से संचालित बंत्र खराब पड़े हैं इसका सबसे बड़ा कारण तकनीकी की जानकारी का नही होना है। हममें गांव में प्रशिक्षण के माध्यम से एसी व डीसी कल्च की पहचान करना, सोलर परम्पत में छोटे-छोटे फाल्ट को देखना, सोलर प्लेट को साफ-साफई करते हुए उसे सूर्य की रोशनी के फूल के अनुसार रखना आदि के बारे में जानकारी दी गई। सरकार की सोलर संबंधित सभी योजनाओं को भी लोगों को बताया गया। मौके पर योगेश राव, इडट विपिन तिवारी, सतुष्ण लकड़ा, धनवीर उराव, प्रीती कुमारी, भागवत आदि उपस्थित थे।

## 68 राजस्व ग्राम में रेस परियोजना शुरू

प्रतिनिधि, बिश्नुपुर

प्रखंड कार्यालय में रेस लीड्स द्वारा प्रखंड स्तरीय कार्यशाला का आयोजन हुआ। अध्यक्षता बीडीओ छंदा भट्टाचार्य ने की। कार्यक्रम का शुभारंभ सीओ धनंजय पाटक, प्रमुख रामप्रसाद बड़ाइक, भाजपा प्रखंड अध्यक्ष केदार साहू, बच्चन चौरसिया, संजीव एवं लीड्स के महेंद्र द्वारा दीप जला कर किया गया। लीड्स रेस के प्रोजेक्ट कोऑर्डिनेटर महेंद्र ने कहा की प्रखंड के 68 राजस्व ग्राम में रेस परियोजना के द्वारा ग्रामीणों के बीच विभिन्न योजनाओं को पहुंचाने का काम कर रही है। गांव के लोगों के बीच 50 प्रतिशत सब्सिडी पर एकीकृत सोलर एनर्जी का वितरण किया जा रहा है। बीडीओ छंदा भट्टाचार्य ने कहा कि

दीप जलाते अतिथि।

लीड्स के द्वारा जो गांव स्तर पर योजनाएं चलायी जा रही है वह सराहनीय है। इस अवसर पर लिड्स व टैरी के द्वारा चर्चानित 50 किसानों को एकीकृत सोलर एनर्जी का वितरण बीडीओ व सीओ सहित अन्य अतिथियों के द्वारा किया गया। इससे

पूर्व प्रोजेक्टर के माध्यम से सरकार व लिड्स की उपलब्धियों के बारे में जानकारी दी गयी। मौके पर बीपीएम विपिन तिवारी, सतुष्ण लकड़ा, धनवीर उराव, प्रीती कुमारी, भागवत सहित कई ग्रामीण मौजूद थे।
