- **Narendra Mishra (BC), RACE Project, LEADS** discussed about the objective of the RACE Project. The concept behind the Green Business Challenge in Race project where he emphasized on the youth entrepreneurship development could lead to better India. Along with this, he discussed in detail how we can protect the environment by adopting clean energy.
- **Kuldeep Mehta, Technical Expert, RACE Project LEADS** discussed about the schemes going on the financial support to youth entrepreneurs for new startups. Where he shared the information through the Skill up India scheme banks are providing loans at low interest rate to energetic youths with new ideas to start the business specially to MSMEs. He also added up the scheme going on under Jharkhand govt. i.e. Mukhya Mantri srijan Yojna were ST/OBC/Physically Challenged youths can avail loan of 50 thousand to 25 lakhs at very low interest rate of 6 % only. With loan of under 1 lakh no guarantee is required. The community was made acquainted with the support LEADS would provide in the form of handholding support along with the seed

- funding support to 20 youth entrepreneurs and how to get the awards. In the form of financial aid.
- This would be done through the submission of proposal submission which would be checked and verified by the jury panel along with the submitted certificated like residential, caste, income, Aadhar, bank Account ,etc.
- Later on he discussed about the business idea like small flour mill, Oil extracting machine, solar dryer, Banana chips cutting machine, Popcorn machine at the paddy field which could run on domestic light and even with the solar system set up through the Kusum scheme. price list of the domestic solar run equipments were shared and discussed about its benefits.
- Selection of business include market, demand and supply were various factors like capital involved, cost of raw materials, labour cost, room, electricity bill, licence ,etc were discussed.
- Then the process of proposal was made with the example to justify that the business proposal would be profitable.
- **Kuldeep Mehta, Technical Expert** explained in detail to the members about smokeless chulha, how smokeless chulha works and what its benefits are. What are the subsidy limits in how villagers can get smokeless chulhas.
- **Ranjit Bhengra (Agri Expert)** shared the information about various schemes being run by the government like Nilambar Pitambar Jal Samridhi Yojana, Dobha Nirman, Pond Construction and Knowledge about MNREGA Act with the villagers. Along with this, he also shared the information about unemployment allowance under MNREGA project. He also told about various measures of well, sack dam and water conservation in government schemes. Apart from this, he told the villagers in detail about potato cultivation and lacquer cultivation etc. and appealed to all to use clean energy.
- All aspects were discussed in detail the session was moderated by **Ranjit Bhengra (Agri Expert), Yogesh Kumar, Kuldeep Mehta and Narendra Mishra from the LEADS team**, who answered various questions from the youth who were curious to know about the Jharkhand government's scheme and its subsidy. He shared the schemes run by the state government. At the same time, along with taking all possible steps, talked about giving necessary support to bring the government schemes on the ground and assured every effort to get the work done in every possible coordination till the district level and State Level.
- **Khagen Mahto CO-Jaldega block GoJ** Appreciated the work of the LEADS and agreed to give full cooperation at the government level, as well as appreciated the ongoing work in Kolebira block that the block level committee would prove to be a milestone in the coming times. At the same time, he explained all the aspects related to clean energy in detail, he talked about connecting the villagers with government schemes like Ujjwala scheme, water tap schemes. He said that we should use such energy sources in daily life which is less pollution, he also talked about environmental protection and in the end he said that clean energy is very important role to save the existence of mankind.

- **Balmati Lugun(Pradhan), PRI.** Appreciated the work of the **LEADS** and assured full support from the department wherever possible and appealed to the youth to come up with ideas so that they can generate employment. Also he talked about holding the next meeting soon so that more good ways Can be done.

To get the benefit of the scheme from him and assured to work with more cooperation and energy. Understanding the functions of the Block Level Clean Energy Solutions

- Forum, everyone successfully formed the committee under the voting process in which all the participating members raised their hands and agreed. Finally the meeting ended with vote of thanks by Yogesh Kumar. All the guidelines related to corona epidemic were followed in the entire Workshop.

कार्यशाला आयोजित कर लीड्स संस्था ने दी स्वच्छ ऊर्जा की जानकारी

नवीन मेल संवाददाता जलडेगा। प्रखण्ड कार्यालय के सभागार में शुक्रवार को रेस (रूरल एक्सेस टू क्लीन एनर्जी) परियोजना के तहत लीड्स एवं यूरोपीयन यूनियन के सहयोग से स्वच्छ ऊर्जा पर एक दिवसीय कार्यशाला का आयोजन किया गया। कार्यशाला के प्रारंभ में परियोजना के डीपीएम योगेश कुमार के द्वारा परियोजना के कार्यों और उद्देश्य को पूरे विस्तार पूर्वक बताया गया। साथ ही उन्होंने पर्यावरण संरक्षण के लिए सोलर लैम्प का प्रयोग, धुँआ रहित चूल्हा का निर्माण एवं उपयोग, गैस चूल्हा का उपयोग करने के साथ साथ पर्यावरण संरक्षण हेतु पौधा रोपण पर भी जोर दिया। वहीं परियोजना के टेक्निकल एक्सपर्ट कुलदीप मेहता ने सरकार द्वारा चलाई जा रही कल्याणकारी योजनाओं के विषय में विस्तार पूर्वक बताया। इस दौरान उन्होंने कुसुम योजना के तहत सोलर सिंचाई पंप के लिए आवेदन करने

की प्रक्रिया और इससे लाभान्वित होने के लिए बताया। उन्होंने कहा कि प्रखण्ड स्तर पर युवाओं का टेक्निकल प्रशिक्षण दिया जाएगा इसके लिए इच्छुक युवाओं का सूची कलेक्ट किया जायेगा। जिसके बाद परियोजना के उद्देश्य को सफलता पूर्वक पूर्ण करने के लिए सर्वसहमति से प्रखण्ड स्तरीय स्वच्छ ऊर्जा समिति का गठन किया गया। मुख्य अतिथि के रूप में उपस्थित अंचल अधिकारी खगेन महतो ने लीड्स द्वारा चलाए जा रहे इस रेस परियोजना के कार्यों की सराहना करते हुए उपस्थित ग्रामीणों को स्वच्छ ऊर्जा की जानकारी देते हुए, स्वच्छता का संकल्प दिलाया, उन्होंने कहा कि स्वच्छ भारत का निर्माण तभी संभव है जब हम खुद में पहले परिवर्तन लाएंगे। इस दौरान उन्होंने पीएम उज्वला योजना, पीएम उजाला योजना, किसानों के लिए चलाई जा रही सोलर योजना के विषय में भी ग्रामीणों को जानकारी दी।

स्वच्छ ऊर्जा को लेकर संस्था का प्रयास सराहनीय : महतो
